

St. Jude Children's Research Hospital  
St. Jude Gala presented by AngioDynamics  
September 1, 2016

To Whom It May Concern:

I am writing in the hope of securing your support. This year's St. Jude Gala presented by AngioDynamics benefiting St. Jude Children's Research Hospital will be hosted at the Hall of Springs on September 1, 2016. The evening will feature dinner, silent and live auction, and live music. We hope that you can help us with a donation to help the kids of St. Jude Children's Research Hospital and spreading the awareness about the wonderful work that goes on there.

The auction will be the highlight of the evening, raising significant funds and generating tremendous excitement. This is an excellent promotional opportunity for you to garner brand and product awareness, and it is also a great way to generously support St. Jude Children's Research Hospital.

St. Jude is the first institution established for the sole purpose of conducting basic and clinical research into catastrophic childhood diseases, mainly cancer. Since opening in 1962, St. Jude has treated children from all 50 states and more than 70 countries. St. Jude is the only pediatric cancer research center where families never pay for treatments that are not covered by insurance, and families without insurance are never asked to pay.

**We would greatly appreciate your product or service donation towards our silent auction.**

We hope you will join us as we continue our lifesaving work for children in New York and around the world. If you have any questions or would like to confirm your interest please give me a call at 518-453-6800, or email me at [Frances.Pickles@stjude.org](mailto:Frances.Pickles@stjude.org).

**For any donations please fill out the attached auction form at the highlighted areas and sign for tax purposes.**

Thank you very much for your support,

**Fran Pickles**  
**Senior Regional Development Representative**
